 Parameter
 Value

 Voltage
 Select an option •

 Bore *
 Select an option •

 * Mandatory delivered with finished bores

A **specific configurator** is available for ELECTROMODULE and ERD brakes.

See Your Basket

Now, confirm your selection and

configuration then click on button "Basket".

Click on the red icon "Basket" to review the list of selected products. The basket can contain either Kits or products directly identified by their Item number.

At this level you can :

- Add a new product by execution of a new selection.
- Remove a line by a click on the "trash".

Product Code	Product Description	Quantity	Remove	Product C	onfiguration
кіт 🗆	SFM VAR 10 - Size 10	1	Û	Voltage: 12 V Bore *: Ø 10	VDC H8+R3P9
	Each KIT containing :
